About Us

Welfare Board of Vocational Training School' is An autonomous body Registered Under Govt. Of India. TR 1882 Act . So many training related to the, Vocational Training , Nursing , Paramedical , Computer, Management & Others courses have been given to the aspirants through this body. The present Central Govt. As well as the State Govt. Has given special emphasis on the Vocational course so that the student will continue the professional course along with academic career for earning livelihood. As a result this Autonomous body, based on Truth has facilitated the way of self dependent through training as per the demand of various students in the society during the 10 years. Innumerable students of this institution have joined in their professional field. As a president of this institution can say that it is not possible to earn something.

Our Mission

"Our mission is to provide students across India with courses in Computer, Nursing, Paramedical, Vocational, Management, IT, and other fields, ensuring the billing of carriers associated with them. We have established schools throughout the country. Our school is dedicated to preparing students to become competent and compassionate healthcare professionals capable of delivering exceptional patient care. We strive to cultivate a supportive and nurturing learning environment that encourages critical thinking, clinical skills, and professionalism. Our focus is on instilling values of ethics, integrity, and lifelong learning. Ultimately, our mission is to develop well-rounded healthcare professionals equipped to meet the evolving needs of the healthcare industry."

Our Vision

Our mission is to provide students with courses in Computer, Nursing and Paramedical, Vocational, Management, IT & Others Courses billing the carrier with it. We have established our schools all over India. The school aims to prepare students to become competent and compassionate healthcare professionals who can provide excellent patient care. The school strives to create a supportive and nurturing learning environment that fosters critical thinking, clinical skills, and professionalism. It also focuses on instilling values of ethics, integrity, and lifelong learning. Ultimately, the mission is to produce well-rounded healthcare professionals who are prepared to meet the evolving needs of the healthcare industry.
